

HERCULES

GROUP OF COMPANIES

Red Cross Standard First Aid (T-801)

Program Overview

This program is designed to meet industry, business and government regulations. The program is highly interactive to prepare first aiders to respond appropriately in an emergency.

Training Objectives

Upon completion of the program, students will be able to:

- Identify potential scene hazards
- Quickly assess a casualty's injury or illness
- Apply appropriate first aid based on casualty condition

Course Content

- Emergency Scene Management
- Shock Unconsciousness and Fainting
- Bone and Joint Injuries
- Soft Tissue Injuries
- Chest Injuries
- Head and Spine Injuries
- Burns
- Eye Injuries
- Plus two elective lessons

Format

The program is a combination of theory and practical exercises. Students are evaluated by means of a written examination. A certificate of completion will be issued which aids in addressing the various legislative requirements placed upon employers to ensure their employees are competent.

Duration

16 Hours

Location

The standard program is held at our Head Office and Manufacturing Hub based in Dartmouth, Nova Scotia. However, we are able to utilize our other Hercules locations across the country, or hold the training at your facility.
